We're glad to be able to offer you *The Lighthouse Keeper Program*, a new way of contributing each month to sustain God's work at the Lighthouse for Christ Mission in Mombasa, Kenya and East Africa.

When you participate, your bank will transfer your gift consistently each month from your checking (or credit card) account directly to the Lighthouse for Christ Mission.

Your gift will go further than before, because:

- Our income will be more predictable, allowing us to make solid commitments to new projects and current obligations.
- Our administrative costs will be reduced.
- You may make your contributions even when you are on vacation or traveling.

As a participant of the program, you are still free to make additional gifts.

If at any time you wish to suspend your participation, simply notify Lighthouse for Christ and we will gladly accommodate you.
